

more than a bit of partying

So, it was me and the cats on watching TV and surfing sites like FiveThirtyEight.com and [Daily Kos](http://DailyKos.com) ("R" friends -- don't say I didn't warn you), and flipping between CNN, MSNBC, and yes, even FOX news. Yes, I yelled when Brit Hume had to admit that Obama won.

Needless to say, there was more than a bit of partying. Alcohol was imbibed, family members were called and screamed to. Even the cats got overcome by the fiber fumes:

Yes, Brandy was a little overwhelmed by the news.

We are recovering today. But I'll always have this for a memory of this time:

Revknits

Faith and life seen through the stitches we make.
