

## Hopeful

I'm up and feeling pretty good - I made some sourdough this morning, which is rising now in the oven, and had breakfast. I think I'm definitely better!

Here's the view I've had the past few days:

Since I'm not really inspired to knit anything in particular, I've gone for "yarnplay." This might end up as a scarf, or get frogged, I'm not sure.

## Revknits

Faith and life seen through the stitches we make.
