

## De Blanket

Well, working on the blanket took a bit more time than I thought, it was a busy weekend. I think it was appropriate that I finished this beautiful baby blanket on Mother's Day. Many thanks to [pdxknitterati](#) for her wonderful mitered square pattern (and catching the error that I made in making the square larger) that we used for this beautiful blanket.

We had the following knitters on this project:

*Emily, Tallahassee FL  
Jane, Martinsburg WV  
Gwendolina Champaign IL  
Joanie, Mahtomedi MN  
Jen, Petaluma CA  
Kristy, New Haven, CT  
Brenda, New Haven, CT  
Marci, Silver Spring MD  
Donna, New York NY  
Pearl, Shelton WA  
and me.*

The edging looks like this:

It's a garter stitch edging from the first Mason-Dixon Knitting book, and worked on each of the four sides, then sewn together to lovely points.

I think there is just one problem with the blanket:

The kitties have fallen in love with it, and I'm not sure I can sneak it out to mail it:
