

Something Blue

I'm starting back to bigger projects (although I think I'll cast on for some socks or a scarf for knitting relief). I'm working on something blue:

More details to follow. It's something I'm designing, and we'll see how it works out. Let's just say that I'm in the "process knitting" mindframe as I work on this. A book that I bought a while ago to help me is [Sweater 101](#) - I highly recommend it!
