

New Pattern: Madame Matisse

An amusing story about finishing up my Madame Matisse Shawl -- I met good knit-friend Judy at Bluebird today to take more photos of the shawl, and as we are talking about it, a woman comes up and admires it. The short of it was that she bought two skeins of the yarn, paid Sophie for the pattern, and gave me her email address for the pattern!

So, without further ado, I present the Madame Matisse Shawl:

This shawl can be worn in a variety of ways, thanks to a couple of small buttons:
