

Knitting Content

Yes, I'm still dealing with Mom issues, but I have knitting to report.

First, I used up some of the scraps from the Afghans for Afghans socks, added in a Kaffe Fassett Regia colorway, and came up with some anklet socks that I wear instead of slippers around the house. I love the colors, and had fun with the picot hem:

I also started a camisole/tank for me -- Soliel pattern from Knitty. My gauge is a little different, so I changed the math, and I added some short rows at the bust, so it'll not ride up on me hopefully. So far, so good.

And I think I'll be reunited with my kitties and stash quite soon!
