

Pattern: Starfish

I am back from Lake Tahoe where it looked like this for most of the week:

Yes, I worked a 70-hour week, but that was right outside the doors! In commemoration of the waters, here's a sea-themed free pattern that will be used in an upcoming yarn-bombing of a [not-to-be-named local yarn store](#).

Revknits

Faith and life seen through the stitches we make.

[Starfish!](#) ([Download now](#) -- it's free!)

Enjoy while I continue to work on a few projects to be celebrated later this month! Here's a sneak peak at one of them:
