

Secret Knitting Season

This is a seasons of a fair amount of knitting, both for professional knitting and of course, Christmas Knitting. But it's mostly secret, even the Christmas knitting as with our social media, the giftees will see this blog.

I've learned my lesson on Christmas knitting over the years. Don't plan to make a sweater for someone in November and December, and stick to accessories whenever possible for gifts. And, of course, only it for those who will appreciate the effort. I'm fortunate to have appreciative friends and family!

Here are some cropped shots of knitting I'm working on. Enjoy!
